Directions

Access all transit systems from <http://www.511.org/> or by dialing 511. After our phone experience, we suggest using the web if you have a choice.

511 is a toll-free phone and Web service that consolidates Bay Area transportation-related information into a one-stop resource. This easy three-digit number provides up-to-the-minute information on traffic conditions and incidents, details on public transportation routes and fares, instant carpool and vanpool referrals, bicycling information and more

Click on "511 TakeTransit Trip Planner" to find out the fastest way to get to the American Friends Service Committee. The major systems are:
